Notes:

1. Thickness of device is measured at edge of the device. Thickness may be different at different parts of the device.
2. All units of measurement may vary slightly according to manufacturing tolerance.
3. Platform version may be different after software updates.
4. Available storage is less due to phone software. Available storage is subject to change based on phone software updates and app usage.
5. Extended memory limited to available microSD card size.
6. Network bands in regions may be different, depending on the mobile operator and your location. 4G LTE™ only available in select areas. Upload and download speeds also depend on the mobile operator.

Specifications may be different after software update and are subject to change without prior notice.
